THE GREATER PENSACOLA CLUB LUNCHEON MEETING HEARS ENTHUSIASTIC SPEECHES OF GRATIFICATION OVER RETURN OF AMERICAN NATIONAL BANK TO BUSINESS ACTIVITY.

Yesterday's luncheon meeting of the Greater Pensacola Club was the largest and most enthusiastic that has occurred in a long time.

According to President Bingham's announcement the meeting was in the nature of a celebration over the return to business activity of the American Chinese beans from a 12 acre field National Bank and it aroused great which was planted to corn with beans enthusiasm. A significant and pleasing feature of the affair was the ovahe gathered about 25 bushels of corn tion given to President Jas. G. Pace per acre, and has had a large number and former President C. W. Lamar, of of hogs and cattle pasturing on the the American National, when they enfield for about six weeks, and there tered the room and later to Mr. Lamar are quantities of beans still in the when he arose to respond to the sevfield. This year was Mr. Britton's eral speeches of welcome. The cheers first experience with raising velvet and applause lasted for some moments beans, and he is more than pleased and it was with difficulty that he could begin his remarks.

John S. Beard presided as toastmaster in his usual eloquent and happy manner, and he announced President Now that the crops are gathered, it J. S. Reese of the Citizens and Peois an opportune time to get after the ples National Bank as the first speak-

Mr. Reese spoke in strong terms of done toward cutting down the expenses his gratification over the return of the of farming by the use of improved American National to active business machinery, until the stumps are re- and he complimented the men whose energy and means had made it all possible. He pald a fine tribute to Receiver W. H. Milton for his own good work in looking after the Interests of the bank. In closing, Mr. Reese gove eloquent expression to his faith Dr. Mallory Kennedy has returned in Pensacola, her people and her fu-

Association convention at Jacksonville | President R. W. Goodhart responded on behalf of the National Bank of board of health of which he is a mem- | Commerce. He said the reopening of ber, Dr. Kennedy is enthusiastic over the American National had accomthe meeting which he believes was plished more good than was visible, the greatest of its kind ever held. The It had restored confidence and we need public health discussions were led by confidence. Its suspension was due to men of national reputation and the conditions which no one could foresee, great truths of science and sanitation and its rehabilitation shows that we tial thing. Mr. Goodhart extended the compliments and best wishes of his own bank to the reorganized institu-

Wm. Fisher, a director in the Banking, Savings and Trust Co., spoke in behalf of that institution. Mr. Fisher good purpose. It brings out friendships and removes the glitter of material prosperity, enabling one to see the facts as they are. It teaches that we are all dependent on each other and that when a competitor goes down it is our duty to help him onto his feet again. He welcomed the American National back and said the thanks of the community were due to the men who reopened it,

C. W. Lamar responded on behalf of the American National Bank, but it was apparent that he was greatly affected by the remarks of the previous given him when he arose to speak. Mr. Lamar expressed his heartfelt appreand of the co-operation which had made its reorganization possible. He had found that one of the chief assets of a business was friends and he was happy that the bank had so many

In adjourning the meeting, President Bingham announced that next Saturday would be "Chamber of Commerce day," and he expressed the hope that a large gathering would be present.
